

## Your Design Could Win!

Welcome to team **J Rock**! Our first challenge for you is to use your creative and artistic skills to design our team T Shirt.

You should design only a front image on the template using only one colour ink and explain why you think your design should be chosen (remember best handwriting, spelling and punctuation please).

You can be as creative as you like but the designs that have worked well have been simple but effective.

In the past team T Shirts have included the name of the performance, the name of the team and a 'hint' of what the performance may contain.

The name of our performance this year is '**Search for the Immortal Soul**' and it is based on the Hans Christian Anderson version of The Little Mermaid (not to be confused with the Disney version!). For the first time 'The Federation' will be performing together!

All team members from across the Federation should submit their designs by next rehearsal where Miss Howarth will judge which design or combination of designs will be used and sent to the T Shirt printers.

Good luck!
