

**J ROCK
NEEDS
YOU!**

Can you help?

The rehearsals for our Federation performance of 'Search for the Immortal Soul' based on the Hans Christian Anderson version of The Little Mermaid are going swimmingly! The enthusiasm from the children is outstanding and the energy and eagerness is fantastic! Even though it is early days it already has the making of an excellent performance!

Ideas for both costume and set are being finalised and we recognise that many hands make light work and so with this in mind if you would like to be involved we have several jobs with which we need some help. These include, basic sewing, painting, simple prop making, make-up and hair styling etc. We would really love to make this a community project but as yet we only have 2 parents offering support. We can facilitate as many Newchurch friends and family members as would like to be involved and if you are keen with some time to spare we would like to invite you to an informal team meeting on Wednesday 1st November at 3.15pm where over a cup of tea we can assign some tasks and chat informally about any help that our community may be able to offer.

Please remember you do not have to be able to do anything amazing but it would be amazing if you could do something to support!

If you are unable to attend the meeting but feel you can still offer support please contact Mrs Payne via the school office.

We look forward to hearing from you!
