Friday 3rd November 2017

Dear Parents/Carers,

To launch our new History topic - 'Changes in Living Memory', where the focus will be on 'Toys Through the Ages', Moore Class will be receiving a visit from the Carisbrooke Castle Toy Museum. The children will have the opportunity to look at and handle artefacts as well as to take part in a workshop delivered by an expert on the subject.

The visit will take place at school on the afternoon of Monday November 6th. Following the visit, we will be left with several cases full of toys from the past that we will have the use of for the duration of the topic.

We ask for a voluntary contribution of £4.00 per child to cover the cost of the session and the hire of the cases of toys please. This need not be in by Monday but we would appreciate it if any moneys could please come to the school office by Friday 10th November.

This will be a lovely starter activity for the topic and should be a very enjoyable experience for all.

Thank you for your continued support,

Mrs Parkin.

Toy Museum Visit - Moore Class - Year 2
