Wednesday 8th November 2017

Dear Parent/Carer,

Year 1 have been working hard in Literacy this term and one of the stories we will be looking at and reading next in Literacy is called; 'MEERKAT MAIL'. The story is about a Meerkat called Sunny who visits different members of his family in different locations. Upon arrival Sunny writes a postcard to his family to let them know of his adventures.

As part of this story the children will learn to write post cards and letters, but in other subject links Year 1 will be looking at and learning about Meerkats, their families and their habitats. We have therefore organised a trip to Tapnell Farm Activity Centre on Tuesday 21st November 2017. The children will arrive at the Centre at 9:30am and will spend the day actively involved in a range of opportunities. The children will be able to experience animal workshops learning about the animals on the farm, what they eat and how they are looked after. There will be a special slot offered to our children where they will be learning about the Meerkats, their families and habitats.

Transport for the trip will be in the form of our minibuses to and from school, and we would welcome named booster seats to be brought into class -not high backed ones though as they don't fit side by side in the buses. Children will need to wear school uniform, a warm waterproof coat, wellies and a rucksack to carry lunches and a water bottle. We will arrive back at school ready for usual school pick-up at 3pm.

The cost of this trip will be a voluntary contribution of £5.00 per child. Please make payment via school money and then return the permission slip to Class Teacher by Friday 17th November 2017.

Kind regards,

Mrs Truscott

Year 1 teacher
