Thursday 14th December 2017

Dear Parents/Carers,

As you know your child is a member of our Junior Rock Challenge entry this year, and we are now able to purchase tickets for the event. We can make a block booking as schools are allocated a certain number of tickets for a limited period of time. Once this period has expired then they re-allocate tickets and they become available for purchase in a public forum.

Please indicate on the form below how many tickets you would like. At this point we have to restrict the tickets to two per child, however there may be more available depending on how many people decide to take up this offer. We need to know numbers by Friday 12th January 2018 as this is when the tickets cease to be exclusively available to us. The tickets are £13.50 each with a £1 reservation fee per ticket (a fee charged by Southampton Guildhall) so the total cost of each ticket is £14.50.

Should we have any more tickets through the school allocation process we will of course share this and tickets will be released on a first come, first served basis.

If you would like more after this time, there may well be more available to the general public after all of the schools have received their allocation, and we will advise you of this as soon as this information is released. You will however be charged an increased booking fee on each ticket purchasing in this way.

If you are intending to help on the day you will get to see the performance rehearsals during the day, however you will still need to purchase a ticket if you wish to sit in the audience and watch the full evening performance.

Kind regards,

Mrs J Payne
