We believe our children deserve the very best teaching and opportunities. We are looking for a teacher to join our KS2 team; ideally we would like to appoint a highly motivated and enthusiastic individual who is passionate about the high quality delivery of literacy and numeracy and is able to demonstrate the best classroom practice. We are looking for a teacher who is great at what they do, loves big challenges and can contribute big ideas!

Most important is your attitude and approach. You will be:

- ✓ Able to motivate and inspire primary aged children.
- ✓ Demonstrate the ability to teach the right stuff, to the right kids at the right time and in the right way!
- ✓ Team orientated and have the ability to get things done.
- ✓ Keen and willing to take an active role in the wider life of the school.
- ✓ Recognise that each child learns differently and be supportive of our caring ethos.
