

I met my new teachers and joined in phonics, maths and PE lessons. I learned to sign my emotions - happy, sad, calm, angry and worried. I wore my new school uniform and carried my own rucksack. I met my Year 6 buddy and shared a book with them.

I made my own healthy meal choice at lunchtime. I learnt to manage my belongings independently. I took part in a handwashing workshop run by the NHS team. I went to the toilet and washed my hands independently. I picked my own healthy snack at the snack table.

I was able to leave my grown up and make new friends at my new school. I enjoyed meeting my new teachers and making new friends. I explored my new classroom and outdoor area and learnt that if I keep on trying I CAN do it on my own.

**Curriculum Vision Themes  
Overview  
Autumn 1: Year R**

I listened to the story Rhinocorn rules and learnt that it's good to be ourselves. I respect my friends and others who are different from me. I am learning to respect the school rules and classroom routines.

I have learnt that we are all different and that we celebrate and embrace these differences. I listened to The Colour Monster story and talked about how I felt about school.
