 - Wear a Crown Day

As part of Mental Health Week, I took part in a class Spa Day and learnt that it is important to look after our minds as well as our bodies.

I learnt how to wash my hands properly to help stop the spread of COVID.
 I can prepare my own healthy snack at the snack café.

I took part in my first class assembly and performed to an audience.

I am learning to keep on trying when things become difficult and I can talk about my support bubble.

I tried new foods when learning about Chinese New Year .

I have been practicing my tricky words.

Curriculum Vision Themes Overview Spring 1 Year R

I have been learning how important it is to talk about my feelings and respect the feelings of others too.

I recognise that people celebrate different things and I am respectful of this.

I created a crown to celebrate the Queen's Jubilee.

Whilst celebrating Chinese New Year, I talked about similarities and differences between my culture and Chinese culture.
 I learnt how to help keep myself keep safe online.
