

I took part in our Showcase assembly and celebrated my learning with my family. I drew a picture and talked to my friends about my favourite story during storytelling week. I chose a book from the 'New to You' book sale on Pyjamarama Day. I attend the FONS Spring disco.

I designed and made my own picnic for the moon – a delicious sandwich! I know and can talk about the adults who will help keep me safe at school. I talked about what I need money for and where I keep money during Financial Friday.

I learnt to use a knife, a peeler and a grater and I didn't give up even though it was tricky! Even though I felt a bit shy, I performed in our showcase assembly front of my parents and lots of other grown-ups.

**Curriculum Vision Themes  
Overview  
Spring 1: Year R**

I drew Icky Doo Dah! I listened carefully and followed instructions to learn how to be an illustrator just like our visiting author. I listened to the favourite stories of friends and teachers. I took part in RE day and talked about 'special clothes' people wear.

I donated books as part of our 'New to You' book sale on Pyjamarama Day. I helped raised money for the school to buy new books for our school library.
