

## Autumn two: 6<sup>th</sup> November - 19<sup>th</sup> December 2023

### Maths

#### Place value within 20:

I can read and understand mathematical sums involving +, - and =.

I can represent and use number bonds within 20.

I can use a part whole model to represent two parts and a whole.

I can use concrete and pictorial methods to represent a maths sum.

I can solve one step word problems, such as  $7 + \_ = 9$ .

BEEGU by Alex Deacon.

Lost and Found by Oliver Jeffries.

Our class charity this year is the Isle of Wight food bank.

### Values

Friendship, Rule of law, and peace.

### Science

#### Everyday materials-

- I can distinguish between an object and the material from which it is made.  
I can describe the simple properties of a variety of everyday materials.
  - I can compare and group together a variety of everyday materials on the basis of their simple physical properties.
- Big question: How can you describe materials?

### English

- I can use the word 'and' in my writing.
- I can use capital letters and full stops.
- I can leave finger spaces in my writing.
- I can write for purpose (letter writing and a story).

PSHE (scarf) – I can understand and value the importance of differences.

History- Enquiry question: What toys and games did my grandparents play?

DT- I can design, make, and evaluate a picture with a moving part.

Music- Nativity performance!

Computing- Grouping data.

Reading (5 mins daily), common exception word practise (5 mins daily) and regular number bond practise. After you have heard your child read, ask them about the characters, what type of book it is, what events took place, did they enjoy it, what part did they enjoy the most?

Our PE days are Tuesday and Wednesday.
