

Summer Term 1 - April/May 2024 - Shilling

Key Skills - Science

Plants

I know that all flowering plants make seeds that grow into new plants.
I understand that sometimes the plant dies after it has produced its seed and sometimes the plant lives for many generations producing seeds each year.
I can describe the lifecycle of a variety of different plants.

Pushes and pulls

I can compare how things move on different surfaces
I can notice that some forces need contact between two objects.

As a parent you can: Read to your child and encourage them to practise their number facts and read and spell their common exception words. Please try to read daily with your child and practise their 2, 5, 10 and 3 times tables. Home Learning will be set on an as and when basis via Seesaw, when it benefits what we are learning in class.

Please come into school in PE kit for our PE days which are Monday and Tuesday. Send your child in with their PE kit to change into if it is needed for an after-school club.
