Overview

This term we will be getting to know our class poet Alex Wharton

We will use this book to inspire some of our writing and our art work.

Key Questions - Science

- I can state con compare and group together different rocks on the basis of their appearance and simple physical properties.
- I can describe in simple terms how fossils are formed when thins that have lived are trapped within rock.
- I can recognise that soils are made from rocks and organic matter.

As a parent you can: Encourage your child to practice their times tables and to read every evening. This year they will do daily spellings in school. Please ensure they wear their PE kit on a Tuesday and Thursday. From week 2 for 10 weeks on a Thursday they will have swimming instead of PE. They can still wear PE kit as it is easier in the changing rooms as per the letter sent. Homework will be set on Seesaw as and when required.
