

English Heritage came in to visit us so that we learnt all about The Stone Age through a variety of different activities.

I took part in a lesson about how to stay safe online.  
I have learnt about healthy relationships.  
I helped make a healthy 3 course Stone Age meal.

I completed the cross country lessons and improved on my times.  
I wrote my own Stone Age story.  
This was hard work but I kept going until I completed it.

**Learning Principles Overview  
Autumn 1 Year 3 2021.**

I respect our school rules and our charter for our class.  
I respect my friends and now have strategies to help if we fall out. I read the book Beegu and I learnt how to respect people who are different from me.

I have learnt that we are all different and to embrace these differences so there are no outsiders in our school.  
I took part in our sponsored virtual London marathon and raised money for school.
