

I started this term by being immersed in our class text, "The 100 mile an hour dog." I watched and listened to the author read each chapter.

I have taken part in physical exercise with my family as part of my home learning.
I took part in lots of lessons about how to stay safe online when writing emails.
I designed and made a healthy meal to eat with my family.

Most of us were learning from home this term so some days we had to be really resilient to keep ourselves motivated so we could complete the work.

Learning Principles Overview Spring 1 Year 3.

I respect our school rules and our charter for our bubble.
I can explain that people living in the UK have different origins.
I am learning how to be kind and to take it in turns and share.

I took part in World book day.
I have learnt that we are all different and we are all going to have different memories of the past year. I recorded what I missed during lockdown into my memory bottle to go into the time capsule.
