

# Impact of COVID-19

We are still able to use school resources within each bubble.

They are cleaned and quarantined before being used.

We have been using the laptops and iPads to carry out research and view the world using google earth.

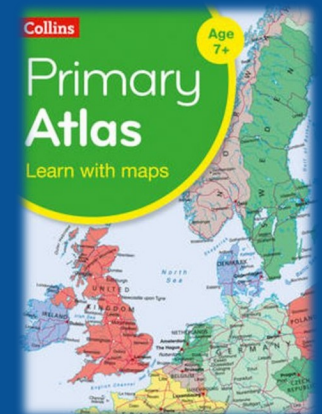

Why do people in cities live near rivers?

- Transport good
- Water source
- People like looking at the water flow.
- I like to go to the water.
- I like to go to the water.

Naming some of the cities that are on rivers.

- Newcastle ✓
- Liverpool ✓
- London ✓
- Manchester ✓
- York ✓
- Norwich ✓

We have used our school environment to work on map skills and to carry out field work.
